

Request for access permit – Port of Oulu

The driver applies for access permit with the Port Oulu Smarter. mobile application min. 2 hours before arrival.

The access permit is personal and in order to obtain it, the driver completes 8 mins. of port security video training in the application. Security training within the mobile application is valid for one year.

For the access permit, the driver needs a Loading agreement ID and the registration number of the vehicle.

The driver may have more than one approved access permits. The nearest one is shown on the front page of the application.

If necessary, security training can also be carried out at the port gate.

To download the app, free Wi-Fi is available at the gate area.

For assistance contact the gate officers +358 044 703 2759.
